## Massage Therapies

### Aromatherapy Massage

*50/80/105 minutes*

The purest essential oils, combined with gentle massage techniques, stimulate the body's own self-healing and inspire true replenishment.

### Ashiatsu

*80/105 minutes*

Ashiatsu ("ashi" means foot and "atsu" means pressure) is inspired by Eastern massage techniques and adapted from ancient forms of barefoot massage. Our therapist, supported by parallel bars suspended from the ceiling, applies deep foot pressure to strategic points along the spine and body to achieve maximum muscle compression. One- and two-footed strokes distribute pressure evenly over a large area of the body, providing a deep and relaxing massage.

### Couples Massage

*50/80 minutes*

Relax and enjoy the benefits of massage, side by side in our couples hale (house). Each person may select Lomi Lomi, Swedish or Deep Tissue Massage to suit his or her needs.

### Craniosacral Therapy

*50/80 minutes*

This light-touch therapy helps release restrictions in the central nervous system that surrounds the brain and spinal cord. Beneficial for headaches, TMJ syndrome, dizziness, chronic fatigue, hormonal imbalance, pregnancy and much more. Loose clothing recommended.

### Deep-Tissue Massage

*50/80/105 minutes*

Experience a "new" technique at Hualālai Spa that focuses on work with the deeper layers of the body by sinking through superficial layers. Your therapist will vertically engage the muscle until the layer of tension is recognized, and then move obliquely to lengthen short muscle and fascia. This massage does not engage intense pressure, but will allow for the body to experience a slow release of tension.

### En-Suite Massage

*50/80/105 minutes*

Select massage therapy services are available in the privacy of your guest suite by appointment. Additional fees may apply. Please contact our Spa Concierge for more detailed information.

### Hapai (Pregnancy) Massage

*50 minutes*

Our therapist's gentle and soothing touch reduces stress, promotes relaxation, increases circulation and nurtures and honors you in this special time. This treatment requires the mother to be a minimum of 12 weeks pregnant.

### Hualālai Island Stone Massage

*80 minutes*

A powerful, restorative, energy balancing and grounding treatment, where hot and cold stones are placed on and under the body to open the body's energy centers and promote circulation. Massage is incorporated to take advantage of the increased circulation and promote a feeling of balance, rejuvenation and relaxation.

## Lomi Lomi Massage

*50/80/105 minutes*

This traditional Hawaiian massage is a sacred healing art, handed down from generation to generation by kupuna (elders). Techniques are rhythmic and unique to each therapist, integrating the use of palms and forearms for an excellent full-body wellness massage.

## Reiki

*50/80 minutes*

“Reiki” is a Japanese word meaning “universal life force energy.” Hands are placed on the body to channel energy into the body to release blockage and stimulate energy. Assists in relieving stress, leaving you feeling calm and relaxed.

## Shiatsu

*50/80 minutes*

Shiatsu (“shi” means finger and “atsu” means pressure) is an ancient form of therapy utilizing application of pressure to specific regions of the body along energy meridians. The goal is to restore a healthy flow of energy throughout the body. Traditionally performed on a mat, with loose clothing.

## Sports & Fitness Massage

*50/80/105 minutes*

Designed to enhance the athletic performance and recovery. A sport-specific massage that includes stretching, cross-fiber friction and range of motion techniques.

## Swedish Massage

*50/80/105 minutes*

A classic, general and relaxing full-body wellness massage utilizing the five traditional Swedish strokes.

## Sweet Dreams

*80/105 minutes*

A quartz crystal bowl sings sweetly, colors and lights are visualized and invoked to harmonize, sending waves of calm throughout the entire body. A massage and anointment to your face, neck and feet relieves tension and transports the spirit. A sublime body massage with Sweet Heart oil is the final touch for this journey that will lull you into the place of sweet dreams.

## Tension Reliever Massage

*20 minutes*

This efficient 20-minute massage incorporates bodywork that reaches the tension-retaining areas of muscle tissue, such as neck, shoulders, back and feet.

## Thai Massage

*80/105 minutes*

A full-body treatment that involves passive yoga-like stretching and pressure point massage along the body’s major energy channels to release blocked energy, relieve tension, help align the skeletal structure and increase flexibility. Traditionally performed on a mat, with loose clothing.
