FOUR SEASONS RESORT
Hualālai

Being stewards of the land and sea here at Hualālai Resort is taken to heart with the Natural Resources department. They not only maintain the eight ponds and marine resources of the resort; they have developed unique programs for guests and residents to learn about and interact with our fascinating wildlife and ecosystems.

We invite you to join us in fun-filled activities that will bring you closer and connect you more intimately with our natural environment here at Four Seasons Hualālai Resort.

Programs and Activities

Eco-Tour with a Hualālai Naturalist

Take a guided traveling tour of the resort's natural wonders and learn about our native Hawaiian ecosystems, unique wildlife, and natural/cultural history. All ages. Meet at King's Pond.

Behind The Scenes Tour

Take a closer look into how we operate our saltwater systems, maintain the health of our fish and learn more about ecology and habitats at Hualālai Resort on a guided tour with a marine biologist. All ages. Meet at King's Pond.

Catch and Release Hualālai Fishing

Try your luck battling and landing elusive hard fighting Hawaiian game fish (Awa and 'Ama'ama). These challenging light tackle sports fish grow up to 6 feet long and are found in various places around the world. Reserve your spot with us and you can take your chance at fighting one of these fish. Ages 12 and up. Meet at the hotel lobby.

Eagle Ray Feeding

Don't shy away from this amazing experience! Kai Nalu is King's Pond Resident spotted eagle ray (*Actobatus narinari*). He has displayed his own personalities through behavioral patterns and eating habits. Some of his favorite foods include shrimp and mussels. All ages.

Fish Circus Training

Have fun assisting us in training our King's Pond fish to perform circus tricks. To be healthy and happy our fish need to use their brains! We'll give you the skills to train them and any other pets you may have, even your little brother! Ages 6 and up. Meet at King's Pond.

Fish Feeding

The King's Pond has over 4,000 fish and more than 90 different species. Now you can help us feed them and see how many you can identify! This is an amazing way to see the variety of reef fish featured in Hawaiian waters. All ages. Meet at King's Pond.

Jr. Marine Biologist

Dreaming of becoming a marine biologist? Make those dreams come true by spending part of your day with a Hualālai Resort marine life scientist. Participants will learn how to collect and record data about Hawai'i's unique underwater world. Great for kids that love science and investigating ocean life. Ages 12 and up. Meet at King's Pond.

King's Pond Private Snorkel Tour

Join a resort marine biologist at King's Pond for an enjoyable private snorkel lesson, followed by a fascinating guided tour of this spectacular natural "aquarium." Participants must be able to swim. Water clothes required. Ages 6 and up.

Ocean Art Days

Let the ocean inspire you to create some unique artwork while learning a few new things about the ocean environment. Youth will enjoy creating a piece of art as you learn about ocean creatures or the ocean environment. Ages 5-7. Meet at King's Pond.

Ocean Life Exploration

Youth will enjoy getting up close and personal with Hualālai Resort's fascinating marine life and unusual habitats. Participants will explore our ocean world with professional Marine biologists and get creative with unique projects that can be taken home. A truly fun and educational experience. Ages 7-12. Meet at King's Pond.

Private Eagle Ray Encounter

A family or group of five can have their own private encounter with our friendly ray. Be ready to get wet while hand feeding our spotted eagle ray. All ages.

Private One Hour Tour

Private One Hour Tour with Marine Biologist (Exclusive for Suite Amenity Package) An hour of time spent with a Marine Biologist while participating in the designated activities. All ages.

Tide Pool Exploration

A staff marine life scientist will teach you the techniques of tide pooling and show you what marine creatures to look for. Tide pools are home to a variety of species: shelled creatures like opihi and cowry cling tightly to the rocks, brittle sea stars and hermit crabs scuttle away to hide, juvenile fish are safe from larger fish, and sea cucumbers and octopi are masters at camouflage. Reef shoes are required. All ages. Meet at King's Pond.

Touch Tank Talk

Meet some of our fascinating reef life up close and personal. All ages. Meet at King's Pond.

Turtles and Tales

Join a resort marine scientist on the beach to visit our resident "honu" green sea turtles. Learn about the life, strength and challenges of these amazing Hawaiian creatures. It's a "honu" experience! All ages.

Private Rent A Marine Biologist

Does your family have a passion for marine science? Take a resort marine biologist with you for any ocean activity at an hourly rate. Learn about Hawaii's marine life and ecosystem's while we accompany your family on a canoe ride, paddle board or private charter. Our marine biologist staff are highly educated and trained to bring you and your family a memorable ocean experience.
