

Kids For All Seasons

FOUR SEASONS
RESORT
HUALALAI

Let the Four Seasons take care of your kids (ages 5 to 12) in our daily fun-filled, educational complimentary program. This program is designed for children to experience the resort's tropical environment and "old Hawai'i" feel. A keiki's (child's) typical day is filled with exciting adventures, which may include Hawaiian music, sand sculpting, swimming, and even volcano building. And yes, true to the volcano goddess Pele, the volcano actually erupts. Lunch is optional.
